Bible Reading Plan

The Parkview Bible reading plan is intended to help unite us around God's Word, aiming for everyone to have consistent time reading the Bible while also allowing for the opportunity to read more together.

If you complete all of the readings listed in this plan, including the weekly passages labeled 'race ahead,' you will be on course to read the whole Bible in two years, assuming you continue on with the Bible reading plan we will release for 2023.

This plan is meant to be accessible for those who are new to daily Bible reading while still offering a challenge for those who want to read more. If you are just getting started with daily Bible reading, make it your goal to the 5 weekday passages and use Sunday to catch up on days you missed. If you are looking for a faster pace, you can add the 'race ahead' passages to your daily reading, or use Sundays to 'sprint' through those 'race ahead' sections.

You can see a visual representation of these options on the final flap of this handout.
